

## Press release

### Regulated information

3 April 2015 - for immediate release

## CEO Luc Switten leaves Connect Group

The Connect Group board of directors herewith announces that CEO Luc Switten has stated that he will be leaving the company as of 3 April 2015. Supported by the board of directors, the current management will ensure continuity, with COO Flor Peersman being appointed as interim CEO. Luc Switten will remain available as a consultant until the end of 2015.

All employees, customers and suppliers of the company are herewith notified of the decision of the CEO.

Luc Switten was one of the founders of IPTE in 1992. Following the acquisition of Connect Group by IPTE in 1999, he assumed responsibility for Connect Group, becoming its CEO in the same year. The Board of Directors thanks Luc Switten for all his work for the benefit of the company over the past 23 years.

### *Connect Group*

Connect Group is a leading certified supplier of technology, production systems, printed circuit boards and cable assembly services for the professional industry. Connect Group develops products to User Requirement Specifications from the concept stage onwards with optimal production, price and quality results.

Connect Group's references include Alstom, ASML, Atlas Copco, Atos, Barco and Philips. The company currently employs around 1,600 people in various facilities in Europe. The company's shares are traded on NYSE Euronext Brussels: CONN ([www.euronext.com](http://www.euronext.com)).
